

# PowerPrep, Floor

Highly effective floor cleaner from BarrierTech™  
Is low-foaming and adapted to floor washing machines

PowerPrep is a powerful cleaning product. Dissolves and removes dirt, stains and grease from most surfaces and materials, indoors and outdoors.

PowerPrep is non-corrosive and does not damage most materials or surfaces.

PowerPrep is water-based and contains no solvents.

PowerPrep is very suitable for cleaning and removing organic material before the surface is disinfected with BarrierTech™ surface disinfection
